

WELCOME!

We are currently operating “by appointment only” to ensure social distancing guidelines as outlined by government guidance.

- ☑ If you have an appointment, your contact will be with you shortly! Please ensure **6 feet distancing** from others at all times and take advantage of our sanitization resources around the office.
- ☑ If you do not have an appointment, please connect with your contact via phone or email to discuss a time to meet.
- ☑ If you have been sick within the past 14 days or are currently experiencing symptoms of the flu or COVID-19, please let us know immediately.

Thank you for helping us maintain a safe environment so we can continue to serve your needs!
